

Meet some of our carers

Bill and Lou Carter, with their daughters Rosie and Leah Bill and Lou have been fostering with asphaleia since December 2007.

They are outgoing and friendly with a great capacity to embrace others in their family life. The family loves fostering so much they have added a room to their home to ensure they can offer more than one placement to children in need.

Matt and Guz have been fostering with asphaleia since 2008. They have room for up to three foster children at any one time. The family enjoy various sporting and leisure activities together.

Matt and Guz are very enthusiastic about sharing their life with fostered children and have a great deal of energy to offer.

Reza and Fere have been fostering with asphaleia for five years, and have fostered 25 children with us.

They have an abundance of experience in caring for children and young people from all walks of life, and enjoy spending time together as a family.

To meet more of our carers, why don't you come to our next information evening? Keep checking our website for further information.
